CERTIFICATE OF ACHIEVEMENT IN POST GRADUATE CARDIOVASCULAR MEDICINE

(SPONSORED BY THE NW LONDON CARDIAC NETWORK)
IN ASSOCIATION WITH THAMES VALLEY UNIVERSITY, HARROW PCT & IMPERIAL COLLEGE HEALTHCARE NHS TRUST

THIS ACCREDITED MODULE IS DESIGNED FOR GENERAL PRACTITIONERS & SPECIALIST CARDIAC COMMUNITY NURSES

The module consists of 4 taught days and 1 examination day spread over a 6 month period. Attendance for all days is COMPULSORY.
Formal assessment is undertaken by means of two written assessments and an Objective Structured Clinical Examination (OSCE)

Commencement:
JANUARY 2008

Successful candidates will be awarded 30 Academic Credits at HE Level 7 (Masters)

The module is designed to enable primary care clinicians to advance their understanding, practical skills and management of patients with cardiovascular disease; aiding delivery of locally designed services to support key strategies such as practice based commissioning. Successful candidates will be awarded with a higher education accredited module; acting as a stepping stone to further continuing professional study.

The course will be delivered by experienced clinicians from organisations across NW London and will cover a number of areas including:

- **Ischaemic Heart Disease: diagnosis and treatment**
- **Arrhythmia management including Atrial Fibrillation**
- **New developments within cardiovascular medicine**
- **Heart failure**
- **Stroke**
- **Interpretation of diagnostics**

Interest in this course is expected to be high. You are therefore encouraged to register early to avoid disappointment. Please note that the course will be run **Free of Charge**, however a **Cancellation Fee** will be applied for cancellations received less than 2 weeks prior to commencement.

You should register no later than 21ST DECEMBER 2007
