

THAMES VALLEY UNIVERSITY
Faculty of Health and Human Sciences

North West London Cardiac Network

CERTIFICATE IN CARDIOVASCULAR MEDICINE

TVU IN ASSOCIATION WITH HARROW PCT & ST MARY'S NHS TRUST
& SPONSORED BY THE NORTH WEST LONDON CARDIAC NETWORK

**THIS ACCREDITED PROGRAMME HAS BEEN SPECIALLY DESIGNED
FOR
GENERAL PRACTITIONERS & SPECIALIST CARDIAC COMMUNITY
NURSES**

**The course will be delivered by Consultants spanning Epidemiology
and Cardiology from across NWL**

**The course consists of 4 days, delivered over a 3 month period with a
further compulsory 1 day for examination**

**Commencement date:
APRIL 6 2006**

The course is designed to enable primary care clinicians to advance their understanding, practical skills and management of patients with cardiovascular conditions. The confidence gained from the course will provide the opportunity to deliver locally designed services, practice based commissioning and support GPs in the effective delivery of the cardiovascular aspects of QoF.

The course will cover a number of areas including:

- Ischaemic Heart Disease: diagnosis and treatment
- Arrhythmia management including Atrial Fibrillation
- New developments within cardiovascular medicine
- Heart failure
- Stroke
- Interpretation of diagnostics

Interest in this course is expected to be high. You are therefore encouraged to register early to avoid disappointment.

You should register no later than 28 February 2006

To register for this course, please complete the attached Registration Form. Further Registration Forms can be downloaded from the **Training** page on the NWLCN website www.nwlc.co.uk. Completed Registration Forms should be returned by post to:
